

Manchester Town Hall 12th & 13th October 2015

Job Title	Organisation
Assistant Process Engineer	Amey- Black & Veatch
Process Technician	Aqua Enviro
Process Engineer	Arup
Application Development Manager RTC	Hach
R&D Technology Manager	Doosan Enpure
Student	University of Leeds
Project Manager	Grontmij
Student	University of Exeter
Research Scientist	Labaqua
Postdoctoral Researcher	Dublin City University
Co-Founder	Radio Data Networks
Water Quality Monitor	Wessex Water
Technical Director	WPL
Product Manager	Unisense Environment A/S
Service Delivery Science Manager	Anglian Water
Principal Process Engineer	Hydro International
Municipal Sales Manager	Siltbuster Process Solutions
Business Development Manager	Warden Biomedia
Regional Business Development Manager	Alfa Laval
Engineering Director	Bluewater Bio
Principal Process Engineer	United Utilities
Principal Consultant	Atkins
Research Scientist	Thames Water
Business Development Manager	Aqualogy Environment (SUEZ)
Wastewater Process Scientist	Scottish Water
General Manager	ACWA Services
Innovation Programme Manager	Anglian Water
Sales Director	Multisensor Systems
Founder Director	Arvia Technology
Technical Director	Grontmij
Technical Manager	Siltbuster Process Solutions
Senior Advisor	Environment Agency

Application Development Manager RTC	Hach
Sales Manager	Feralco UK
Engineering Lead	Southern Water
HSQE Manager	Power & Water
R&D	Vissoc
Research & Development	Vissoc
Technical Director	Black & Veatch
Process Co-ordinator	Thames Water
Process Technologist	Thames Water
Research & Development Programme Manager	United Utilities
Graduate Process Engineer	Arup
Product Manager	Veolia Water Solutions & Technologies
Innovation Strategy Manager	United Utilities
Sales Manager	Kemira
Senior Regional Sales Director UK	Hach
Director	ION Science
Researcher	Cranfield University
Strategy Development Manager	United Utilities
Sales Manager	Evoqua Water Technologies
Wastewater Process Scientist	Scottish Water
Process Scientist	Aqua Enviro
Site Director	Dairy Crest
Senior Process Design Engineer	EPS Group
Sales Manager	Transvac Systems
Wastewater Process Scientist	Scottish Water
Compliance & Optimisation Manager	Thames Water Utilities
General Manager	Xylem Water Solutions UK
Graduate Engineer	OxyMem
Research Scientist	Hydro Industries
PhD Student	Thames Water / Cranfield University
Technical Manager	EPS Water
Area Sales Manager	Huber Technology
Specialist Graduate- Engineering	Scottish Water
Manager, Business Development & Marketing	Saltworks Technologies
Business Development Director	Veolia Water Technologies
Head of R & D	Hydro Industries

Applications Engineering Manager	Evoqua Water Technologies
Project Engineer	MMI Engineering
Flow Compliance & Regulatory Efficiency Manager	Anglian Water Services
Process Consultant	MWH
Director	Frog Environmental
Lecturer in Civil Engineering	University of Wolverhampton
PhD Candidate	Cranfield University
Proposals Manager	ACWA Services
Marketing Manager	Warden Biomedia
Area Engineering Manager	United Utilities
Utility Sales Manager	WPL
Technical Manager	Veolia Water Technologies
Head of Wastewater Strategy	United Utilities
Director	OK Process Validation
Utilities Manager	Dairy Crest
Engineering Manager	WPL Limited
Municipal Sales Manager	atg UV Technology
Chairman	Aqua Enviro
Technical Policy Manager	Northumbrian Water
Marketing Manager	Envitech
Global Projects Director, NA	Hach Company
Chemical Investigations Analyst	Thames Water
Principal Process Engineer	Bluewater Bio
Shepherd Sales Director	Bactest
Process Modelling Manager	Thames Water Utilities
Sales Manager	Veolia Water Technology
Managing Director	WPL
Regulatory Policy Manager	Dwr Cymru Welsh Water
Senior Environmental Scientist	Atkins
Technical Director	atg UV Technology
Plant Supervisor	Billerica
Environmental Strategy Analyst	United Utilities
Director Business Incubator – CIRSEE	Suez Environment
	Tennants Distribution
Process Engineer	Mecana Umwelttechnik
Divisional Director- Process	WPL

UK Lab Sales Manager	Hach Lange
Research Engineer	University of Loughborough
Hydraulic Engineer	Krüger A/S, Veolia Water Technologies
Operational Control Centre Manager	Severn Trent Water
Process Engineer	Aqualogy Environment (SUEZ)
Business Development Manager	Aqua Enviro
Engineering Consultant	Perceptive Engineering
Commercial Manager	Feralco UK
Managing Director	Evergreen Water Solutions
Project Engineer	Evergreen Water Solutions
Process Commissioning Manager	Veolia Water Solutions & Technologies UK
General Manager	Siltbuster Process Solutions
Marketing Director	Perceptive Engineering
Principal Engineer	Perceptive Engineering
Process Engineer	Laganwater
Director	Laganwater
Process Scientist	Aqua Enviro
	Lhoist UK
Account Manager	Kemira Chemicals UK
Waste Innovation Manager	Thames Water
Technical Training Specialist	United Utilities
Sales Director	GE Water & Process Technologies
Geochemist	The Coal Authority
Chief Executive	Power and Water
Senior Process Scientist and QHSE Manager	Aqua Enviro
Technical Specialist	MWH UK
Technical Director	MWH UK
Water CoE	Open Energi
Optimisation & Development Scientist	Anglian Water
Technical Manager	Hydrok UK
Waste Non Infrastructure Strategy Manager	Thames Water
Managing Director	System S & P
Director	Envitech Ltd
Process Engineer	Atkins Global
Senior Solution / Programme Engineer	Severn Trent Water
Founder	Bactest

Operations Manager	Musol
Sales Manager	Evoqua Water Technologies
Wastewater Strategy Manager	Scottish Water
Technical Sales Manager	Open Energi
Project Manager	Sisltech
Editor	Water & Sewerage Journal
Associate	MMI Engineering
Business Manager	EMEA Evoqua
Technical Sales Director	FLI Water
Business Strategy Advisor	Aqua Enviro
PhD Student	University of Edinburgh
Innovation Project Manager	Anglian Water
Process Optimisation Scientist	Wessex Water
Senior Research Scientist	Thames Water
Business Development Director	Open Energi
Consultant Engineer	WRc
Wastewater Process Scientist	Scottish Water
	Aqua Enviro
Technical Specialist - Wastewater	Yorkshire Water Services
European Sales Engineer	Brentwood Industries
Business Developer	Krüger A/S, Veolia Water Technologies
Research Scientist	Thames Water
Principal Process Engineer	MWH
Project Manager	Aquateam COWI
Associate	University West of Scotland
Area Manager	Nijhuis H20K
Process Engineer	MWH
Customer Projects Manager	Arvia Technology
Head of Project Development	Hach
Senior Group Engineer	Atkins
Bioresources Development Manager	Aqua Enviro
Solution Engineer	Severn Trent Water
	Leeds University, School of Civil Engineering
Area Sales Manager	Envitech
Senior Process Engineer	MWH Treatment
Environmental R&D Senior Process Engineer	Severn Trent Water

Application Development Manager Real Time Control	HACH
Bioengineer: Wastewater	Evoqua Water Technologies
Business Development Manager	Sisltech
Principal Hydrogeologist	The Coal Authority
Commercial Director	Nijhuis H2OK
Sales Manager UK & Ireland	De Nora Water Technologies
Business Development Director	FLI Water
Project Manager	Dairy Crest
Research Scientist	Atkins
Divisional Head - Sewage & Water	Nijhuis H2OK
Water Engineer	Atkins
Innovation Scientist	Dwr Cymru Welsh Water
Specialist Researcher	Ion Science Ltd
Integrated Planning	Southern Water
Environmental Scientist	Wessex Water
