

EUROPEAN WASTE WATER MANAGEMENT VIRTUAL CONFERENCE & EXHIBITION

13th - 14th October 2020

Latest Attendee List 07.10.2020

Job Title

Sales Manager
Process Engineer
Head of Development and Innovation
Technical Manager
Director of Sustainable Development
Senior Sales Engineer
Lab Team Leader
Innovation Projects Manager
Innovation Technologist
Optimisation and Development Scientist
Optimisation and Development Scientist
Design Engineer
Design Engineer
Service Delivery Scientist
Design Manager
Service Delivery Science Manager
Innovation Projects Manager
Process Science Team Leader
Waste Water Process Scientist
Process Engineer
Graduate Process Engineer
Process Scientist
Senior Process Engineer
Junior Process Engineer
Technical Director
Research and Development Chief Technologist
Research and Development Technologist
TECNICA UNIDAD MEDIO AMBIENTE
Principal Environmental Scientist
Senior process engineer
Business Manager
Business Development Manager
Principal Process Engineer
Engineering Director
Managing Director
Chemical Process Engineer
Chemical Process Engineer

Bluewater Bio
BW Products B.V.
Clinty Chemicals
Clinty Chemicals

Principal Process Engineer	Costain
Biofilm Processes Researcher	Cranfield University
PhD Student	Cranfield University
WRc	Data Scientist
Asset Engineer	DCWW
Process Technician	DCWW Dwr Cymru
Proposals & Process Engineering Manager	De Nora Water Technologies
Wastewater Sludge Scientist	Dwr Cymru
Assistant Process Scientist	Dwr Cymru Welsh Water
Energy Optimisation Analyst	Dwr Cymru Welsh Water
Asset Manager Science	Dwr Cymru Welsh Water
Wastewater Process Scientist	Dwr Cymru/Welsh Water
CEO	Dynamita
Technical Director	Eliquo Hydrok
Senior Process Engineer	Eliquo Hydrok
Environment Officer	Environment Agency
Process Engineer	EQ
Business Manager UK & Ireland	Evides Industrial Water
Business Development Director	FLI Water Ltd
President	Gross-Wen Technologies
Process Engineer	Gross-Wen Technologies
Engineering Project Manager	GS linima Environment
Regional Marketing Manager	Hach
Municipal Process Sales Consultant	Hach
Application Development Manager	Hach
UK Municipal Account Manager	Hach
Business Support Manager UK & Ireland	Hach
Account Manager Municipal	Hach
Application Development Manager - RTC	Hach
Technical Sales Consultant	Hach
Municipal Account Manager	Hach
UK South Municipal Account Manager	Hach
Process Municipal Sales	Hach
Application Development Manager	Hach
UK Industry Sales Manager	Hach
General Manager	Hias How2O AS
Process Optimisation Manager	Irish Water
Process Engineer	Jacobs
Technology Fellow - Wastewater Treatment	Jacobs
Process Consultant	JPH Water Ltd
Head of Business Development	Kolina Ltd
Global Director of Commercial and Technical Strategy	Microvi
Catchment Management Lead	Mott MacDonald
Principal Water Investment Planning Advisor	Mott MacDonald
Principal Process Design Engineer	MWH Treatment
Senior Process Scientist	MWH Treatment
Graduate Process Engineer	MWH Treatment

Technical Development Manager	Neo Chemicals and Oxides
Sales Manager	Nijhuis Industries
Business Development Manager - Municipal	Nijhuis Water Technologies
Wastewater Scientific Process Manager	Northern Ireland Water
Research Development and Innovation Manager	Northern Ireland Water
Chief Risk Officer	Northern Ireland Water Ltd
Technical Policy Manager	Northumbrian Water
Director of Business Development	Ostara
Senior Engineer	Ove Arup & Partners International
Associate	Ove Arup & Partners International
Joint MD	Partech Instruments
Sales Engineer	Partech Instruments
Senior Sales Engineer	PMA
Director	Reliagen Holdings
UK Nereda Sales Manager	Royal HaskoningDHV
Project Director: Water Utilities	Royal HaskoningDHV
Product Manager	Royal HaskoningDHV
Business Development Director	RoyalHaskoningDHV
Project Engineer	Ryan Hanley
Senior Engineer	Ryan Hanley
Director	Ryan Hanley
Graduate Engineer	Scottish Water
Strategic Planner	Scottish Water
WASTE WATER PROCESS SCIENTIST	SCOTTISH WATER
Process Scientist	Scottish Water
Engineer (Process)	Scottish Water
Resilience & Regional Strategy Team Lead, Waste	Scottish Water
Water Service Strategy	Scottish Water
Specialist Graduate	Scottish Water
Principal Engineer	Scottish Water
Process Engineer	Scottish Water
Asset Planning Business Lead	Severn Trent
Process Engineer	Severn Trent
Strategic Analyst	Severn Trent
Process Design Engineer	Severn Trent
Treatment Process Engineer	Severn Trent
Senior Process Advisor	Severn Trent
Process Engineer	Severn Trent Water
Senior design engineer	Severn Trent Water
Process Design Engineer	Severn Trent Water
TPE	Severn Trent Water
Innovation Lead	Severn Trent Water
Senior Design Engineer	Severn Trent Water
Senior Treatment Process Engineer	Severn Trent Water
Proposal Manager	Siltbuster
Environmental Scientist	Siltbuster
Managing Director – Designate	Singleton Birch – Water & Bioresources
Waste Water Regulations Manager	South West Water

Lean Maintenance Coach	Southern Water
Senior Process Engineer	Southern Water
Area Permitting Co-ordinator	Southern Water
Lead Process Engineer	Southern Water
Programme Design Manager	Southern Water
Project Design Lead	Southern Water
Asset Optimisation Manager	Southern Water
Process Scientist	Southern Water
Senior Scientific Officer	Southern Water/University of Portsmouth collaboration
Technical Discipline Lead	Stantec
Technical Lead Wastewater Non-Infrastructure	Stantec
Technical Director	Stantec UK
Group Managing Director	Stonbury
Product Manager - ZeeLung Europe	Suez Water Technology and Solutions
Lead Engineer - Customer Application Engineering	Suez Water Technology and Solutions
Engineering Design Manager	SUEZ WTS
Wastewater Strategy Lead	Thames Water
Technician	Thames Water
System Planning Lead	Thames Water
Research Scientist	Thames Water
Head of Process Engineering	Thames Water
Process Engineer	Thames Water
Research Scientist	Thames Water
Process Engineer	Thames Water
Technical Assurance Engineer	Thames Water
Higher Apprentice - Laboratory	Thames Water
Asset Standards Specialist	Thames Water
Principal Process Engineer	Thames Water
WWT North Compliance Manager	Thames Water
Regulation & Reporting Manager - Bio-Recycling	Thames Water
SPG Engineer	Thames Water
Process Engineer	Thames Water
Process Engineer	Thames Water
Principal Process Scientist	Thames Water
SENIOR ENGINEER	Thames Water
Doctoral Practitioner	Thames Water Utilities
Graduate Process Engineer	Thames water utilities
Future Demand Forecaster	Thames Water Utilities Ltd
Lead Research Scientist	Thames Water Utilities Ltd
Principal Process Scientist	Thames Water Utilities Ltd.
Business Analyst (Bioresources)	United Utilities
Senior Process Engineer	United Utilities
Graduate Process Engineer	United Utilities
Environmental Strategy and Planning Manager	United Utilities
Strategy Development Manager (Sludge)	United Utilities
Process Engineer	United Utilities
Strategy manager	United Utilities plc

Doctoral Researcher	University of Leeds
PhD student	University of Leeds
Postgraduate researcher	University of Leeds
PhD student	University of Leeds
Senior Scientific Officer	University of Portsmouth/ Southern Water
Business Development Manager	Veolia Water Technologies
Process Design engineer	VWT
Director	Wastewater Technical Services Ltd
Senior Process Engineer	Welsh Water (Secondment)
Process Optimisation Scientist	Wessex Water
Development Scientist	Wessex Water
Strategic Planning Engineer	Wessex Water
Area Scientist	Wessex Water
Technical Manager	Wessex Water
Process Commissioning Engineer	Wessex Water
Asset Commissioning Manager	Wessex Water
Lead Scientist	Wessex Water
Process Engineer	Wessex Water
Process Engineer	Wessex Water
Process Commissioning Engineer	Wessex Water
Area Scientist (Wastewater department)	Wessex Water
Waste Water Technical Manager	Yorkshire Water
Treatment Support Engineer	Yorkshire Water
Engineering Design Manager	Yorkshire Water
Regional Operations Manager	Yorkshire Water
Risk & Solution Engineer	Yorkshire Water
Specialist Optimiser - Waste Water Process	Yorkshire Water
